

The Israeli Forum for Neuropsychanalysis
In cooperation with The Israel Psychological Association,
'The New Wave in Psychotherapy' Program, at The Interdisciplinary Center Herzliya,
and The Israel Psychiatric Association

The Many Languages of Neuropsychanalysis

An integrative view of Brain-Body-Mind relationships

The guests of honor of the conference are
Prof. Oliver Turnbull, Prof. Itzhak Fried and Prof. Yoram Yovell.

The conference focuses on the many facets, professional diversity,
and the various professional cultures of the Israeli Forum
for Neuropsychanalysis and the integration between them.

The Forum will offer a working hypothesis:
Let us speak with and about language
as the meeting place of Brain-Body and Mind

The conference will be held at the Eretz Israel Museum (Nofim Hall)
in Tel Aviv Thursday, 25.05.2017

The lectures will be held in English
